

About Our Programs

WYTV7's Financial Literacy Training Programs (Mentoring) goal is to develop the capacity to help raise the next generation of literate, creative and independent entrepreneurs, through a combination of high quality, standards-based curricula & training, skill training, mentoring and capital support. We offer a 4-6 month course (hybrid) to high school students. Learn to become financially lit and fit for the future.

GOAL

To Achievements

Our Courses

4-6 month programs

The WYTV7 CBN Youth Programs (Mentoring) is comprised of six service components that support activities that focus on youth.

- Financial Literacy
- Entrepreneurship
- Civic Engagement/Interpersonal Skills
- Academic Scholarship/ Vocational
- Work Readiness and Employability
- Health and Wellness

Class Opportunities

The WYTV7 CBN propose to collaborate with Certified Trained Instructors to teach and educate people about Financial Literacy along with the courses offered. The program will be offered on a 4-6-month program with monthly classes (virtual or in person/ community activity) to have Questions and Answers with Instructors and review and reevaluate progress of individual. These classes are available for high school students during the summer/fall.

Goal 1: Collaboration and Coordination-
Promote coordinated strategies to improve youth outcomes.

Goal 2: Evidence-based and Innovative Strategies-Promote the use of evidence-based and innovative strategies at federal, state, and local levels.

Goal 3: Youth Engagement and Partnerships-Promote youth engagement and partnership to strengthen programs and benefit youth.
